

## PAO HYMN

By: Atty. Adriano P. Damalerio

Let us join the happy crowd;  
We will march together hand in hand;  
Forward to work we are proud;  
Justice for all in all the land.  
Public Attorney's so dear,  
Justice and reason must prevail  
For the needy and the poor  
Justice for all – our mission in the fore.

### REFRAIN:

Public Attorneys legal defenders,  
We are the guiding stars  
We will fight and defend for your name  
Support your cause and give you fame;  
Ever true to you, ever true to you  
So all the people know,  
Everybody shouts Mabuhay!  
Uphold the PAO with justice up so high!

(Repeat Refrain)

Everybody shouts Mabuhay!  
Uphold the PAO with justice up so high!
